Summary

The donations made to the victims and community has been received with sincere gratitude and thanks. The grants have enabled the victims to have a sense of community love and care as they start a long period of recovery and adjustment.

In addition to the Funds listed above, The Foundation has received and distributed further funds and vouchers totalling close to $2m NZD. These were gifts where the donors dictated how the funds were to be used. This amount included two new ambulances for St John, as a part of one larger gift.

Further information about these distributions can be found on our website.
